LGBT National Senior Hotline 1-888-234-7243

The Lesbian, Gay, Bisexual and Transgender (LGBT) National Senior Hotline provides telephone peer-support, as well as factual information and local resources for our senior community. No matter where they live, LGBT seniors have a place to call when they need peer-support, information and local resources. Many times our callers are very isolated, some in the closet or and in need of a caring, non-judgmental person to talk with. The Lesbian, Gay, Bisexual and Transgender (LGBT) National Senior Hotline provides seniors the ability to talk with our trained peer-support volunteers about issues including isolation, relationship concerns, bullying, family concerns, HIV/AIDS and much more. We also provide local senior resource information for cities and towns across the United States. All services are free and confidential. Prefer to use email? Reach out at Help@LGBThotline.org.
